

ANDERSON MILITIA TO LEAVE FRIDAY MORNING

ORDERS TO THIS EFFECT ARE EXPECTED HERE BY CAPT. LIGON

CO. NOW NUMBERS FULL STRENGTH

And Recruiting Continues—State Recruiting Officer Will Probably Be Placed In This City

Capt. Louis L. Ligon of Company B will this morning receive orders to prepare to entrain for the mobilization grounds at Styx early Friday morning, according to Col. P. K. McCully, who stated last night that the orders were being issued to this effect.

Although it is hardly probable that the South Carolina regiments will be ready to move to the Mexican border before two or three weeks, Gen. Funston's call upon the authorities in Washington for the militia to patrol the border, which was made yesterday, will doubtless cause the mobilization movement to be hastened in this state.

A special train will be arranged for the Anderson, Pelzer, and Greenville companies and the Williamston band. This train will probably leave Anderson Friday morning about 8 o'clock.

The local company now has a strength of approximately 150 men. Recruits are coming in faster than they can be cared for. Although the war strength has about been reached, the recruiting will continue. All those above 150 will be transferred to some other company upon reaching the mobilization grounds.

So anxious are men to enlist that some have come as far as from Lowndesville on the C. & W. C. A telegram received yesterday stated that a man from Newberry would arrive in the local company this morning.

If the recruits continue to come as fast as they have for the past two days, a state recruiting officer is expected to be detailed to Anderson. The manner in which the militia boys have responded to the call is a matter of comment on the streets of Anderson and they are feeling high praise.

All of the militia of Anderson are well represented in the company, especially the Knox mill, where it is said that the majority of the men in the card room have enlisted. The people of Anderson feel proud of their men.

First Lieutenant J. C. Shearer of the First Regiment has been temporarily detached to Company B and is assisting the officers in receiving recruits and in giving drills.

The company put in two and one-half hours yesterday morning in drilling on Camp field. Later they marched down town and around the public square. Yesterday afternoon they drilled from 3:30 to 5 o'clock. Squad drills and extended order drills were in order. Today three or four squads will drill with guns.

Either this afternoon or on Thursday morning the company will take a hike through the mill villages and the main part of the city. Leaving the armory on North Main street the men will march to North Anderson, to Equinox mill, to Anderson mill, to Oak mill, to Riverside and Taxway mill and on back through the public square. This will give nearly all the people of the city an opportunity to see the men in line.

Give Demonstration.
A number of the business men of the city will hold a meeting this morning in order to discuss the matter of giving some kind of public demonstration before the men leave in order that they may be made to feel that Anderson is appreciative of their services and that the people are with them. Other cities are doing likewise. Just what will be done is not known yet.

The armory on North Main street is still a busy place. A number of the men are sleeping there. Others are erecting over on nearby lawns. They have orders to keep in close touch with the officers so that they might be able to leave at a moment's notice.

Mrs. Wolfe to Wed.
The following invitations have been received here: Mr. and Mrs. Wm. Oliver Wolfe request the pleasure of your company at the marriage of their daughter, Isabel to Mrs. Hattie Hester Whiston on Wednesday evening, June 22, at 8 o'clock Old Kentucky Home, Greenville, S. C.

Mrs. Wolfe is a sister of Mrs. Fred Galloway of this city and has often visited Mrs. Galloway and Mrs. Galloway's home. She has many friends here who will be kindly interested in the news of the marriage. Mrs. Galloway and Mrs. Galloway's friends will be at the wedding.

Deaths of Child.
The death of a child of Mr. and Mrs. J. A. Galloway of 1017 N. Main street, Anderson, S. C., was announced yesterday. The child was a son of the couple and was named John.

The child was born on June 18, 1916, and died on June 20, 1916. The funeral will be held on Thursday morning at 10 o'clock at the home of the parents.

PLANNING REGULAR CHILDREN'S OUTING

SALVATION ARMY INTENDS TO HAVE PICNIC ON JUNE 29th.

TO COLLECT FUNDS

Will Take Extra Funds and People of City are Asked to Contribute Freely

"We are planning to have the regular summer outing on June 29, Thursday week," stated Capt. Knox of the Salvation Army yesterday. "We intend to take at least 100 women and children, mostly the latter, out for a day's outing and as is well known this means a great deal to those who never have an opportunity to get out of the city on an occasion of this kind."

"We intend to go about seven miles out of Anderson," she continued. "The guests will be taken out in automobile trucks and we will prepare lunch for them. We intend to make a great day of it, and already the children are looking forward to the outing."

In order to defray the expenses of this outing the local post of the army will need additional funds. It will take a goodly sum and the people of the city are asked to contribute liberally. A lady will be calling on the business men and others in the city within the next few days for contributions to this worthy cause. Although this lady will not be wearing one of the regular uniforms, she is authorized to do this work.

In addition to the money for the day's outing, Capt. Knox hopes to raise a fund to provide a play ground for the mill children of the villages around Anderson. If there is anything left over after the expenses of the outing are cared for, this will go for the play ground.

Second Lieut.

Of Company B Will Be J. C. Crawford of Williamston Mills—Color Sergeant

Mr. J. C. Crawford, formerly paymaster of the Brogon mills but who was recently made night superintendent of the Williamston mills, will fill the vacancy of second lieutenant of Company B and he will take charge when the company reaches the mobilization grounds at Styx. Although he has not been officially appointed, recommendations have been made through the proper channels and the commission is expected daily.

Mr. Crawford has been color sergeant for the First Regiment for the past few years. He is a graduate of Clemson and well suited for the place of second lieutenant.

PROF. McLEAN IS STILL MISSING

No Trace of Newberry Teacher Has Been Found

Newberry, S. C., June 20.—Although diligent search is still being made for Professor Fred D. McLean the young Newberry College tutor who mysteriously disappeared on May 13, no trace of the missing young man has yet been found. McLean was last seen in Columbia, S. C., where he registered at one of the hotels over night, heading out on the afternoon of the 14th. Since that time no word as to his whereabouts has been received, and his friends are naturally greatly worried over his strange disappearance. Many are of the opinion that he has joined the forces of the allies in Canada, but this is only a theory.

Professor McLean came to Newberry from Youngstown, O., in 1915, graduating from Newberry college in 1915 with the degree of A. B. For the past several years he was a tutor in the institution. He is 25 years of age.

TRIAL SERVICES

Reverend Mr. Charles is in midst of revival.

A series of revival services are now being conducted by the Rev. J. G. Huggins, pastor of the First Baptist church, at the home of Mrs. Huggins.

The services are held at 7:30 in the afternoon and at 8 o'clock in the evening. Each day a new feature is introduced. The plan is to bring to the attention of the community the need of a new religion.

TO COMMENCE SERIES MEETINGS THURSDAY

REV. J. E. McMANAWAY OF GREENVILLE WILL BE PRESENT

MUCH EXPERIENCE

Orrville Baptist Church is Fortunate in Securing Services This Evangelist

Pastor Culbertson, of the Orrville Baptist church announces that he will commence a series of meetings at this church Thursday night, June 22nd, and that he will be assisted by Rev. J. E. McManaway, of Greenville.

REV. J. E. McMANAWAY

"We are proud to have Mr. McManaway with us for this meeting," said Mr. Culbertson Tuesday, "in fact, feel that we were extremely fortunate in securing his services at this time. Mr. McManaway is a member of the Home Board evangelistic force, having held this important position for a number of years and with much success. He is a preacher of known ability, which, together with the sweet Christian spirit shown in all his work leaves a telling and lasting effect."

An earnest invitation is extended to all the people to attend and help in these meetings, and we hope that many of our city friends will often be seen in the congregation."

Col. McCully

Will Be in Charge of First Regiment at Styx—Leaves Later in Week

Lieut. Col. P. K. McCully, Jr., of this city will have command of the First Regiment N. G. S. C., and is expected to leave Anderson Sunday for Styx. Col. McCully's business is in such shape that it is almost impossible for him to leave his office before that time. Mr. Strom of New York is being sent to Anderson to take charge of the office in this city.

Col. E. M. Blythe, commander of the First Regiment, being the senior colonel in South Carolina, will have command of the troops at Styx.

COMING AND GOING

Misses Kate and Sallie Mae Strickland of Concord, Ga., are the guests of Mrs. Walter H. Keesee.

Mr. E. H. Welborn was a visitor yesterday.

Mr. S. M. Major of Columbia is spending a few days at home with his parents.

Mr. and Mrs. C. J. Cooper of Greenwood motored over and spent a few hours in the city yesterday on their way to Asheville and Hendersonville. They were accompanied on the trip by Mr. and Mrs. A. M. Cooper and Miss Irie Cooper. Messrs. C. J. and A. M. Cooper will attend the Detail Furniture Dealers' association in Asheville.

Mrs. J. E. Vandiver and Miss Rhoda Vandiver returned yesterday from Boston where Miss Vandiver has been studying music. During the past winter Mrs. Vandiver has been spending much time with her mother.

Mrs. Will White and daughter, Elizabeth, of Newberry are calling Mrs. George Parks and Mrs. Raymond Denny.

Care of Tomb.
We wish to express our deep appreciation of the many acts of kindness and sympathy shown us by our friends and neighbors during the illness and death of our mother, and we also wish to thank them for the many floral tokens received.

May the blessing of God be upon all who helped us to bear this trial.

GREAT OPPORTUNITY MILITARY YOUNG MEN

MACHINE GUN COMPANY NOW BEING ORGANIZED OF HIGHEST COLORS

CALL TO COLORS HAS BEEN MADE

Is Prettiest Branch of Entire Service—Many are Becoming Interested in the Organization

With a machine gun company being formed in Anderson, there is now an opportunity presenting itself to the young men of this section of the state that ought to be grasped immediately, especially by the young men who have attended military schools. However, it seems that the men of this class do not realize this fact that are slow to respond to the call that has been made to them.

At a meeting held last night in the office of Col. P. K. McCully, Jr., the organization of this company was discussed and much enthusiasm was brought to bear upon those present. Among those present were Col. P. K. McCully, Capt. B. B. Gossett, Capt. R. J. Ramer and others, including about ten young men of the city.

Capt. McCully being the highest ranking officer present, presided over the meeting. He discussed the organization of the company and told of the great opportunity it afforded the young men of Anderson who wished to enter military service, especially those who had attended military schools.

He was followed by Capt. Gossett who has been despatched to organize this company. Capt. Gossett in the beginning stated that he was disappointed with the young men of the city of Anderson of the class which was needed for the machine gun company. He stated that the company had to be organized preferably from men who had had some military training and men of mental ability. He spoke very highly of the young men of the mill villages of Anderson who were so readily responding to the call and who were enlisting in Company B. He said they were not only a credit to themselves, but also to the city of Anderson and the state of South Carolina. He also said that it would not be any trouble for him to get men for the company if it were not that the requirements were greater than for enlistment in the infantry. He said that unless the young men of Anderson who were properly qualified came forward and volunteered, advertisements would have to be inserted in papers of the state in order to get the men from other sections to come up and make up the required number.

Capt. Ramer was then called upon to make a talk. He told of conditions in Mexico, and having lived there for four years, he was able to make some very interesting statements. He called upon the young men present to assist in stirring up enthusiasm among their friends so that they would enlist in the machine gun company. He said that they owed this duty to their country and it was up to them to come forward and show their metal.

Mr. W. A. Hudson, who has already enlisted in this company, then made a few remarks. Mr. Hudson was captain of Company B, 1st N. G. S. C., during the Spanish American war.

A machine gun company consists of the following: Captain, one first lieutenant, two second lieutenants, a first sergeant, one supply sergeant and one stable sergeant, all of whom will be mounted; one class sergeant, one horse shooter, five sergeants, six corporals, two buglers, one mechanic, eight privates of the first class and 24 privates.

This is the prettiest branch of the service," said one of those interested in the formation of the company, "and it has proved the most useful branch of the service in the European war. All the men will carry revolvers and there will be no rifles. The company will be a permanent organization and should be one of the best in the South Carolina militia."

It will be necessary to get a full complement of men before the company goes to the state camping ground at Styx.

The company will consist of three platoons, each having two machine guns and each commanded by a lieutenant. A few pack animals will be necessary for the transportation of the machines.

company is necessary for the complete representation of a regiment under the new militia laws. Gov. Manning, as commander-in-chief and Gen. Moore as adjutant general have issued appeals to all South Carolinians to respond to the call of service.

Those who enlist in this company will doubtless be members of a company which will make for itself a name, should actual hostilities be necessary in Mexico.

Several of the young men of Greenville have volunteered for service in this company and two of the young men were present at the meeting last night. Several more are expected to come to Anderson today to enlist.

Capt. B. B. Gossett is to be in command of the company; R. J. Ramer will be first lieutenant and J. P. Duckett, assistant commandant of Clemson college, is to be second lieutenant.

The company is to be formed as quickly as possible and will then proceed to the mobilization grounds at Styx. Those in charge are very anxious to have the enlistment completed as quickly as possible and believe that a sufficient number will have responded by tonight.

T. E. Smith

Announced Yesterday He Had Withdrawn from Firm, Smith, Garrett and Barton.

It was announced yesterday that Mr. T. E. Smith had sold his one-third interest in the firm of Smith, Garrett & Barton, well known clothiers of this city.

Mr. Smith stated yesterday afternoon that he had not made any plans for the future. He will remain with the firm until July 1.

Mr. Smith was formerly connected with B. O. Evans & Co., and resigned this to go to his farm in Oconee county. Last fall he returned to Anderson and later opened up a men's furnishing store with Messrs. Garrett and Barton. It seems that he has heard "the call of the wild" again, and is going back to his farm. In leaving the firm he does so with the very best wishes for its success.
